BRANDED FROM THE INKA

All our steaks are sourced from local farms and hung for 28 days. We also have our own butchers' shop in Beaumaris, we use welsh cattle from the heart of Anglesey and Caernarfonshire that graze on the shores of the Menai straits. Our steaks are fired over coals and flavoured wood chippings in our Inka charcoal oven. It gives the steaks unique mouth-watering flavours! All served with a flat mushroom, baby vine tomatoes, boot-lace onions and fries or sweet jacket potato.

Local suppliers and farms used. Visit our own butchers' shop, food store and restaurants in Beaumaris.

Hydeout was born out of the sheer love of American barbecue. The word originally means 'a social gathering with food'. We aim to offer you true American barbecue smoked low and slow enjoyed in the relaxed surrounding of a Texan Bar-B-Q joint. We smoke our meats fresh everyday, over hickory and fruit woods, and we also use a charcoal Inka oven for steaks and burgers. All this brings you toe wiggling flavours from across the southern states. ENJOY!
